This is a wonderful book...Tender, thought provoking and deep in places. It's blimming (British emphasis!) good and compelling. Once you have started it takes you till the end.

### **Grace on Fire**

"In a world of complexities in which we live, we need a renewed understanding of the Amazing, Great and Abounding Grace of God. Sherri Weeks in her book *Grace On Fire* shares candidly even through some crucibles of personal experience, the life lessons of God's Grace and Love. The perspectives and perceptions of the Grace of God at times may become eschewed along life's journey, thus the importance of being reminded of His continued desire to reveal Himself to us and through us. Sherri, through testimony and practical application reminds us of the expanse and depth of such great grace the Lord has offered to us through His love and sacrifice for us. This is a good study book for us all."

"There is a lot of talk about GRACE floating around these days and it really is no accident that so many people are trying to or either beginning to understand this dynamic concept. The fact is, with all the teaching, study and with our finite perception, we still are only revealing the outer layers of God's wonderful gift! In this powerful new book "Grace on Fire" by Sherri Weeks, you will dive deeper into Grace than ever before, learning how Grace plays a role in your life and that even when you don't see it or feel it, Grace is always there. This is a "must read" for anyone who struggles with doubt, fear, rejection or the uncertainty of his or her salvation!"

"My husband & I have known Sherri for many years now, and she radiates kindness and joy to every person she meets. She lovingly reaches out to those around her with encouragement and love. Her latest book dealing with grace is a must read for the time we are living in when so many people are searching for acceptance and love, but are finding division and hatred.

This book would be a great addition to any home group or cell group to dive into and use as a study book and will be the spark to bring light to those hidden areas of our hearts. Grace is such a foundational part of who we are becoming as believers and Sherri's book is perfect for helping believers catch Grace on Fire."
